

## **Rabies Certificate Information**

Per State Code, the information received from the veterinarian should contain a minimum of the following information:

- A. Animal Owner's Name and Physical Address
- B. The Species of the Animal
- C. The Animal's Sex
- D. The Age of the Animal
- E. Color(s) and Distinguishing Markings
- F. The Primary Breed
- G. Whether or not the Animal is Spayed or Neutered
- H. The Vaccination Tag Number and Expiration Date
- I. The Locality in which the Animal Resides
- J. Signature of the Veterinarian or their License Number

The completed Rabies Certificate will serve as the animal license application.
